

CUTTING & FINISHING TOOLS

Vargus is a world leading developer, manufacturer & supplier of cutting & finishing tools. One of Vargus' major brands is **SHAVIV**, the original hand-deburring tool developed & manufactured in state of the art ISO 9001 approved facilities.

SHAVIV by Vargus - the original hand deburring tool in the market since the 1960's, is still today distributed all over the world.

SHAVIV is the answer to unwanted burrs on a wide variety of materials – metal, plastics, wood and more.

SHAVIV is the tool to handle the finishing problems that a machine can't handle. With **SHAVIV** there is no down-time so you increase your production.

HANDLES ALL MATERIALS & APPLICATIONS

WARRANTY:

Product is guaranteed against defective workmanship or material.

TERMS AND CONDITIONS

Our warranty commences from the date of purchase and is not transferable. The warranty only covers the original owner, purchaser or end user and is subject to the Trade Practices Act and Goods and Consumer Protection legislation of the various states. Proof of purchase along with appropriate documentations is required before consideration under warranty is given.
