

Triton's Unlimited Rebate Planer offers an incredible range of innovative features and functionalities. Traditionally the rebate depth for any planer is restricted by body design, however the TRPUL is designed with the blade drum positioned to the outer most edge, allowing unrestricted depth rebates right to the edge of the workpiece. In addition, the removable blade drum system allows fitment of the sanding drum (both included) to turn the planer into a highly efficient sander. Chip extraction is maximised via the selectable left or right rear dust extraction, ensuring sawdust is directed away from the operator and the workpiece at all times.

**Bail Handle**

for improved ergonomics & increased control

**Power-On Neon**

increases operator safety

**0-3mm / 0-1/8" Adjustable Depth of Cut**

allows removal in one pass

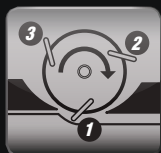

**Spindle Lock Button**

for easy drum changes

**3-Blade Drum**

provides a higher rate of material removal (45000 cuts per minute)

**Drum Guard**

protects against exposed blades when rebating

**Left Or Right Rear Dust Extraction**

allows the dust/chips to be directed to either side of the workpiece

**Variable Speed Control**

adjusts the drum speed to suit the material

**Parking Stand**

protects the blades and workpiece from damage on run down

**Selling Points**

- 2-in-1 Planer/Sander with 3-blade drum & interchangeable sanding drum
- 17-position depth control dial for precise material removal
- Lock-off switch protection from accidental start
- Left or right rear dust extraction
- Tri-blade planing drum for faster, smoother cuts giving a superior finish with improved efficiency & faster chip ejection
- Parallel fence provides a guide to help control the planing action

**In the Box**

- Sanding Drum with Sanding Sleeve
- Planing Drum (HSS 3 Blade)
- Wrench and Hex Spanner
- Dust Bag and Adaptor
- Guide Fence

**Key Specifications**

	Voltage	
	230V 50Hz	120V 60Hz
Power	750W	6.5A
No Load Speed	5000 - 15000rpm	
Cuts Per Minute	45000	
Planing Depth	0-3mm	1/8"
Planing Width	82mm	3 1/4"
Blade Type	3 x Reversible HSS	
Weight	3.9kg	8.6lbs
