

Flow Meter BIA-SSFLOWMETER50

Product Features

- DN50
- Flow range:10-200L/min
- Maximum water pressure 17.5bar
- Working voltage range: DC 5-18 V
- Provides a pulse output to the iSOLAR Controller
- Operating Temp: up to 80C
- Cable length: 480mm

Dimensions: 92mm x 68mm
