COAST brings portability to work torches with a new rechargeable, compact work torch

Work anywhere, always in the light - using the WLR1 rechargeable portable work light featuring a folding stand, twist-focusing optic, and three output modes for lighting versatility.

Held in the hand or set-up on virtually any surface, this dynamic light is equipped with a USB-out port to double as an on-the-go power bank for personal devices at the worksite.

The powerful, compact floodlight packs a punch at 1150 lumens and can rotate 180 degrees.
