## COAST's new compact pro-mount rotating torch

The PM650R is one of COAST's embedded rechargeable products that provide the user the convenience and cost savings of a rechargeable power source.

This compact work light is designed to put high quality, bright light anywhere you need it through COAST's patented Pure Beam optic system. The PM650R is compact, rugged, and allows you to work hands-free with a magnetic base that can attach to any metal surface and it provides you 180-degrees of light positioning.
