

NEW!

XPH30R

(809494)

A rechargeable head torch that doubles as a handheld torch and delivers 1000 lumens in COAST's new durable "extreme performance" line of portable lighting solutions

The COAST XPH30R head torch gives users amazing versatility and powerful brightness. The torch has a maximum lumen output of 1000 lumens on turbo mode and 490 lumens on high.

The XPH30R features a compact, dust-resistant aluminium body that rolls in its bracket for dynamic directional lighting. You can pull the torch out of the bracket to use as a handheld; there is also a magnet on the battery cap which allows you to affix the torch to metal surfaces.

Powered by a COAST ZITHION-X™ rechargeable battery with a real-time battery life indicator, the torch features a twist focus, and four light output options. The torch features COAST's Dual Power™ technology, meaning the torch is also compatible with two CR123 disposable lithium batteries (sold separately).
