General – External Use
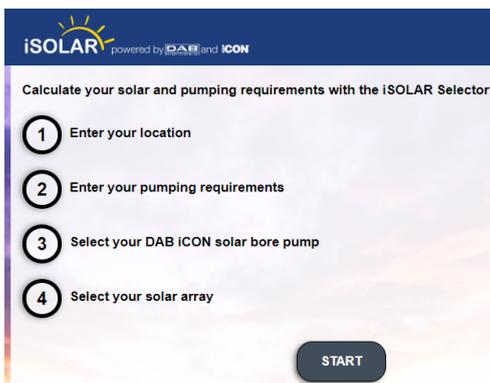

iSOLAR Web Selector – Now Live!

We are excited to announce that our new and improved iSOLAR Web Selector is Now Live!

This web tool will make the selection process of a Solar Borehole Pump very simple and quick.
Please note: This is a selection tool only.
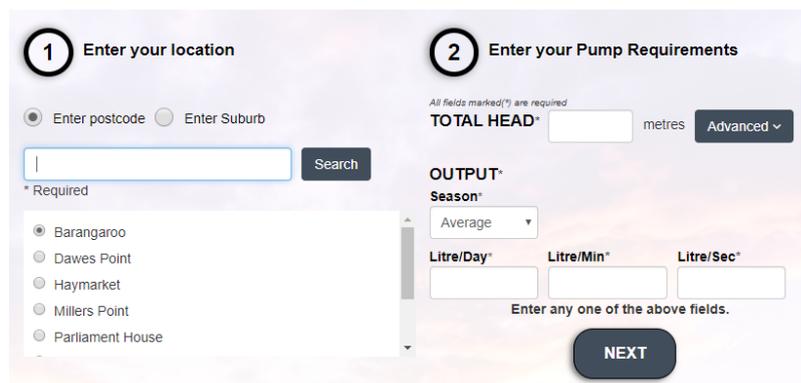

http://isolarselector.whiteint.com.au/

The website is easy to navigate and the steps are self-explanatory. In case you require any assistance, please click on the link below to view a step-by-step guide to use the web selector.
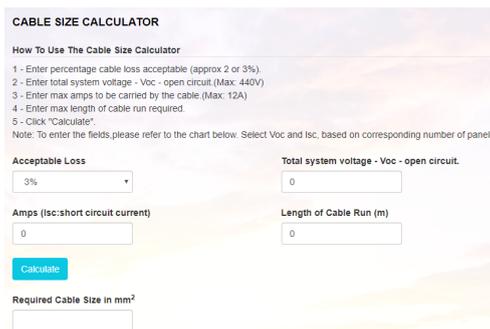

Below is a few screenshots from the New Selector:
